

15-minute hiring kickoff worksheet

Print this page. Run it before you open ChatGPT. Hiring manager and HR fill it together.

- ☐ **Role title & level** — reporting line, headcount this seat replaces. _____
- ☐ **3 must-have competencies** — not 15 nice-to-haves. _____
- ☐ **Salary band approved internally** — write the band, not "TBD". _____
- ☐ **Interview panel named** — who owns which competency. _____
- ☐ **Target start date** (MM/DD/YYYY) and funnel goal (applicants → offers). _____
- ☐ **Knockout criteria** — documented (e.g., must work US business hours). _____
- ☐ **Where we are stuck today** — write the funnel counts (applicants, interviews, offers). _____

Signatures

Hiring manager:	_____	Recruiter / HRBP:	_____
Date (MM/DD/YYYY):	_____	Next review:	_____

After kickoff: define who fits, then rewrite the ad, then source. Do not skip the profile — it prevents generic job ads.

This is the fillable kickoff (1 of 16 pages). The full Beginner guide walks one open role through the first structured loop, a 7-point AI safety check, and a decision log — see promptanatomy.help/en/#pdf-guides.
